Celebrate 25 Years of Joy & Hope:

Be a Star Sponsor for the PJH '70s Disco Fever Gala!

We're turning up the music and the mission—Project Joy and Hope is celebrating 25 years of service to seriously ill children and their families, and you're invited to join the celebration in a big way!

This milestone event, “**’70s Disco Fever**,” will take place on Saturday evening, October 25, 2025, at the elegant Hyatt Regency Downtown Houston. It promises to be a night of fun, dazzling retro flair, and most importantly—hope in action.

As the newly named 2025 Nonprofit of the Year by the Pasadena Chamber of Commerce, Project Joy and Hope continues to lead with compassion, providing housing, financial support, and educational scholarships to families facing unimaginable medical challenges. This year, we're celebrating not only our legacy—but our future. And we can't do it without you.

We invite you to become event sponsors and silent auction donors for this unforgettable evening. Your support ensures that our mission continues to grow—and that all families who need us can find safety, dignity, and hope during their time of greatest need.

In addition to our **’70s Disco Fever Gala**, exciting sponsorship opportunities are also available for our annual **PJH Golf Classic** on Monday, October 13th at Kingwood Country Club. Whether you're swinging a club or dancing under the disco ball, your involvement helps drive our mission forward and makes a lasting difference in the lives of the families we serve.

Sponsorship levels include VIP perks, marketing exposure, and recognition at the events. Whether you're ready to don your bell bottoms and boogie the night away or show your support from behind the scenes, there's a place for you on the dance floor of generosity.

Let's make this anniversary one to remember—and shine a mirror ball spotlight on your commitment to community.

Thank you for helping us bring joy, build hope, and celebrate 25 years of life-changing impact for seriously ill children and their families.

With gratitude and groove,

GIVE JOY BUILD HOPE

SPONSORSHIP OPPORTUNITIES

Mission: Project Joy and Hope (PJH) exists to provide stability and support for families caring for a seriously ill child.

The PJH Palliative Care Campus is a compassionate and supportive community where every family member—parents, siblings, and the child—feels cared for, nurtured, and valued. PJH provides a comprehensive range of services tailored to meet the emotional, financial, spiritual, and logistical needs of families facing the challenges of pediatric illness.

From personalized case management and peer support to financial assistance and sibling programs, PJH empowers families to stay strong and focus on their child's well-being. We foster resilience, instill hope, and provide lasting stability during the difficult journey of caring for a seriously ill child.

Vision: We envision a collaborative pediatric medical community that strengthens families caring for a seriously ill child.

Our families find strength in a community of solidarity and support, helping them heal emotionally and cultivate love and compassion for others on similar paths.

Project Joy and Hope for Texas is a 501 (c)3 nonprofit organization, Federal Tax ID 76-0646721.

Project Joy and Hope's Annual Golf Classic

attracts approximately 300 golfers each year. Now in its 26th year, this premier corporate event will be held at **Kingwood Country Club** on **Monday, October 13, 2025**.

Shotgun start across three beautiful courses begins at 1pm. Golfers enjoy lunch, a round of golf, dinner, silent auction, contests, prizes, snacks, and beverages throughout the day.

CARE Values

- **Compassion:** We stand beside families with empathy and kindness, fostering a caring environment for all.
- **Advocacy:** We are a voice for families in need, ensuring they receive the resources, care, and community support necessary to navigate their journey.
- **Respect:** We honor the dignity of every person, fostering an environment of integrity, fairness, and transparency in all we do.
- **Empowerment:** We equip families with the tools, encouragement, and support they need to navigate challenges throughout their child's healthcare journey.

WHAT A DIFFERENCE A DAY AT PROJECT JOY AND HOPE MAKES!

That's what we continue to hear from families facing some of life's most difficult challenges. At **Project Joy and Hope**, every single day is an opportunity to bring comfort, healing, and hope—thanks to your support.

At our **Tulip Project** campus, up to 72 individuals each night find peace and stability during times of medical crisis. Children with life-limiting conditions, along with their siblings and parents, receive compassionate care and support through our housing, outreach programs, and community partnerships.

Recently, we welcomed several new families into our care:

* **Jacob**, age 14, was recently diagnosed with osteosarcoma. He and his mother are staying with us while he begins treatment at the Texas Medical Center.

* **Adita**, a vibrant 13-year-old, is undergoing treatment for brain cancer. PJH is providing her family with the stability and strength they need to endure the journey ahead.

* **Bobby and Marsella**, expectant parents of a baby boy with spina bifida, are preparing to welcome their son while staying close to the specialized care he'll need at birth.

Beyond housing and supportive care services, Project Joy and Hope responds every day to urgent needs for families with medically fragile children. When hospital social workers reach out, we provide **emergency assistance grants for rent, utilities, transportation, and other critical expenses**—so families can focus on what matters most.

We invite you to be part of this life-changing mission by contributing a **live or silent auction item** to our upcoming **Annual Gala and Golf Classic**. These events are the primary way we raise funds to support our families, and we rely on your help to make them a success.

Your donation—whether it's a gift card, themed basket, unique experience, vacation stay, or specialty item—helps us raise vital support for families in crisis.

An auction response form is included for your convenience. Please complete and return it at your earliest opportunity. Your donation will be acknowledged in our event program, and a tax-deductible receipt will be provided for your records.

As summer begins, we pray you and your loved ones experience joy, rest, and God's many blessings. Thank you for standing with us. **Together, we make a lasting difference.**

With heartfelt gratitude,

Shelley Fuller

Director of Development & Volunteers

2025 PASADENA CHAMBER OF COMMERCE NON-PROFIT OF THE YEAR

Project Joy and Hope (PJH) provides stability and support for families caring for a seriously ill child. PJH creates a compassionate environment where every family member--parents, siblings, and the child--feels nurtured, valued, and cared for. The Pediatric Palliative Care Campus offers a comprehensive range of services tailored to meet the emotional, financial, spiritual, and logistical needs of families facing the challenges of pediatric illness. From personalized case management and peer support to financial assistance and sibling programs, PJH empowers families to stay strong and focus on their child's well-being. The organization strives to foster

resilience, instill hope, and provide lasting stability during the difficult journey of caring for a seriously ill child.

In 2018, PJH completed the development of twelve specially designed homes, providing a safe, supportive environment for families with children undergoing treatment at the Texas Medical Center. This initiative allows families to remain together and close to their child during extended hospital visits, ensuring they have a home away from home while managing the emotional and logistical challenges of their child's medical journey. The next year, PJH opened its Pediatric Palliative Care Center, which offers comprehensive, compassionate care designed to address the needs of families. This state-of-the-art center provides personalized case management, sibling support, resident activities, and other critical services, supporting families as they navigate complex healthcare journeys.

PJH serves as a model for pediatric palliative care and is proud to be the first campus of its kind in the United States--an achievement of which Pasadena takes great pride. PJH collaborates with leading medical institutions, including Texas Children's Hospital, MD Anderson Cancer Center, Children's Memorial Hermann Hospital, and the UT Fetal Center, to provide supportive care services for families traveling to the Texas Medical Center from all parts of Texas, across the United States, and even abroad. These partnerships enable PJH to offer world-class care, ensuring that families have access to the resources and support they need throughout their child's treatment.

PJH's impact extends beyond the physical care it provides. The organization recognizes the importance of emotional and financial support. Volunteers play a critical role, with over 600 individuals donating their time each year to support PJH's efforts. From assisting families directly helping at fundraising events, these volunteers form the heart of the organization, ensuring that PJH continues to serve families in need.

PJH also provides grants to families living in the community referred by Texas Children's Hospital, Children's Memorial Hermann, MD Anderson Pediatric Cancer Center, and Houston Hospice. These grants help alleviate the financial burdens families face while their children receive treatment. Additionally, the Parent Support Line is available 24 hours a day for those who may not need housing but require support during their child's treatment, transplant preparation, or palliative care journey.

For high school seniors who have lost a sibling or parent, PJH offers scholarships that recognize their outstanding community service despite their personal adversity. To date, PJH has awarded nearly 2 million dollars in scholarships to these resilient students, providing them with an opportunity to continue their education while honoring the memory of their loved ones.

Project Joy and Hope was founded in 2000 by Dr. Jan Wheeler, an educator, inspirational speaker, and passionate advocate for pediatric palliative care in Texas. PJH has become a beacon of hope for those in need, transforming the experience of families caring for a seriously ill child.
