Celebrate Project Joy & Hope!

Be a Star Sponsor for the PJH Christmas in October Gala!

We're decking the halls early and celebrating the season of giving—Project Joy and Hope invites you to be part of a magical evening that brings hope to life for seriously ill children and their families.

Join us for our **Christmas in October Gala** on Saturday evening, October 24, 2026, where holiday cheer meets heartfelt purpose. This unforgettable night will be filled with festive décor, joyful surprises, and the spirit of generosity that defines the mission of Project Joy and Hope. Whether you arrive in your favorite ugly Christmas sweater, step into the role of one of Santa's elves, or even channel your inner Grinch, this celebration promises laughter, warmth, and meaningful impact—all wrapped into one extraordinary evening.

In addition to our Christmas in October Gala, exciting sponsorship opportunities are also available for our annual **PJH Golf Classic** on Monday, October 12th, at Kingwood Country Club. Whether you're swinging a club or dancing to Christmas classics, your involvement helps drive our mission forward and makes a lasting difference in the lives of the families we serve.

Sponsorship opportunities for both events include VIP perks, marketing exposure, and recognition at the events, all while aligning your name with a mission that truly changes lives. Sponsors will be celebrated throughout the season as key partners in bringing joy, hope, and the spirit of giving to families who need it most.

Let's come together to make this a season to remember—one filled with twinkling lights, generous hearts, and the joy of giving.

Thank you for helping us bring joy, build hope, and share the magic of the season with the families we serve.

With gratitude and holiday spirit,

Jan Wheeler, Ed.D.

Our Mission: Project Joy and Hope (PJH) exists to provide stability and support for families caring for a seriously ill child. The PJH Palliative Care Campus is a compassionate and supportive community where every family member—parents, siblings, and the child—feels cared for, nurtured, and valued. PJH provides a comprehensive range of services tailored to meet the emotional, financial, spiritual, and logistical needs of families facing the challenges of pediatric illness. From personalized case management and peer support to financial assistance and sibling programs, PJH empowers families to stay strong and focus on their child's well-being. We foster resilience, instill hope, and provide lasting stability during the difficult journey of caring for a seriously ill child.

Our Mission: Project Joy and Hope (PJH) exists to provide stability and support for families caring for a seriously ill child.

Our Vision: We envision a collaborative pediatric medical community that strengthens families caring for a seriously ill child. Our families find strength in a community of solidarity and support, helping them heal emotionally and cultivate love and compassion for others on similar paths.

CARE Values

- **Compassion:** We stand beside families with empathy and kindness, fostering a caring environment for all.
- **Advocacy:** We are a voice for families in need, ensuring they receive the resources, care, and community support necessary to navigate their journey.
- **Respect:** We honor the dignity of every person, fostering an environment of integrity, fairness, and transparency in all we do.
- **Empowerment:** We equip families with the tools, encouragement, and support they need to navigate challenges throughout their child's healthcare journey.

WHAT A DIFFERENCE A DAY AT PROJECT JOY AND HOPE MAKES!

That's what we continue to hear from families facing some of life's most difficult challenges. At Project Joy and Hope, every single day is an opportunity to bring comfort, healing, and hope-thanks to your support.

At our Tulip Project campus, up to 72 individuals each night find peace, rest, and stability during times of medical crisis. Children with life-limiting conditions, along with their siblings and parents, are surrounded by compassionate care through our housing program, outreach services, and community partnerships.

Recently, we welcomed several new families into our care:

Nikola, age 13, along with his 10-year-old sister, Lara, and their parents, have come to PJH from Nevada. Nikola is currently awaiting a heart transplant.

Amarissa, a vibrant 11-year-old, is courageously undergoing radiation treatment. PJH is providing her family of six with stability and support as they walk this difficult road.

Robyn and Miguel, expectant parents, along with their 2-year-old son, Gabriel, are preparing to welcome a baby boy diagnosed with congenital diaphragmatic hernia (CDH). They are staying close to the specialized care their son will need at birth.

Beyond housing and supportive care services, Project Joy and Hope responds daily to urgent needs for families with medically fragile children. When hospital social workers call, we answer—providing emergency assistance for rent, utilities, transportation, and other essential expenses, allowing families to focus on what matters most: their child.

We invite you to be part of this life-changing mission by contributing a live or silent auction item to our upcoming Annual Gala and Golf Classic. These events are the primary way we sustain our programs, and your support helps ensure that no family walks this journey alone.

Your donation - whether a gift card, themed basket, unique experience, vacation stay, or specialty item - becomes a tangible expression of hope and provision for families in crisis.

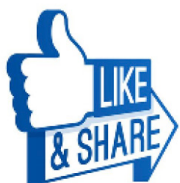

An auction response form is included for your convenience. Please complete and return it at your earliest opportunity. All donations will be recognized in our event program, and a tax-deductible receipt will be provided.

As we continue this work, we are reminded that God is faithful—and He often works through people like you. Thank you for standing with us, for praying with us, and for helping us serve others with compassion and love. Together, we are making a lasting difference—one family, one day at a time.

With heartfelt gratitude and blessings,

Shelley Fuller

Volunteers are the heart of Project Joy and Hope. From preparing family activities and supporting special events to maintaining our Tulip Project campus and serving families in crisis, volunteers help bring comfort, joy, and hope to children facing serious illness and the people who love them most. Whether serving individually, with a business team, church group, or civic organization, every volunteer makes a meaningful difference in the lives of the families we serve. Together, we are creating moments of hope when they are needed most.

To learn more about volunteer opportunities or schedule a group service project, contact Project Joy & Hope at (713) 944-6569 and discover how you can make a lasting impact in the life of a child and family in need.
